Śliczna 34A, 31-444 Kraków

open for relocation & remote offer

SUMMARY

Master's Degree student in Computer Science, aspiring to further develop a career in my area. Looking forward to the opportunity to communicate with people, solve problems with analytical thinking. As a fast-developing self-starter, I am always eager to undertake new promising challenges in my career. Looking for a position at a great company to be a hard-working asset to any team, to learn, grow and develop long-term.
